

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA**

UNITED STATES OF AMERICA,

Plaintiff,

VS.

VICTOR GAXIOLA-RIOS,

Defendant.

CASE NO. 8:16CR102

TENTATIVE FINDINGS

The Court has received the Revised Presentence Investigation Report and Addendum (“PSR”). The government did not object to the PSR. The Defendant has not filed formal objects to the PSR. See Order on Sentencing Schedule, ¶ 6. (The Court notes that in the Addendum to the PSR, the Defendant listed cases he believes are related, and suggests that sentences imposed in those cases should be considered at the time of the Defendant’s sentencing hearing . Also, the Defendant objected to Paragraphs #21, #56, #87, and #88 in the Addendum, but did not further pursue those objections.) The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Booker*, 543 U.S. 220 (2005), the sentencing guidelines are advisory.

Accordingly,

IT IS ORDERED:

1. The Court intends to adopt the PSR at the time of sentencing;
2. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the

submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

3. Absent submission of the information required by paragraph 2 of this Order, these tentative findings are final; and

4. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

DATED this 27th day of October, 2016.

BY THE COURT:

s/Laurie Smith Camp
Chief United States District Judge
